

Dear Customer,

being constantly looking for solutions to help and support you in your daily job, we are trying to offer you new synergies , partnerships and products to reach the best solution in the cheapest and fastest way.

To have a good 2017 start , we would like to remind you that:

As the most of you already know, we are experts to supply high quality not genuine spare parts for every kind of industrial sewing machine .

At the same time , thanks to the established cooperation, we can provide genuine items on demand in a very short time, with prices reserved by Factories as per their official price list.

Therefore , following we will mention all the Brands , which we can offer this service for, underlining all the news.

You will notice that in addition to the usual Brands, we have recently combined rising Brands, pretty new for our market, but in constant achievement.

What mentioned above will allow you to optimize your purchases, avoiding extra costs and waste of time.

We are at your disposal for any kind of further information you may need.

Genuine and not genuine spare parts
